Permanent Link to CSR Acquisition by Qualcomm Finalized with Name Change
2021/05/28

CSR is becoming Qualcomm Technologies International. Qualcomm started the acquisition process for CSR in October 2014. With the expected close of the acquisition in two weeks on Aug. 13, the name of the company — Cambridge Silicon Radio Limited, or CSR — will be changed to Qualcomm Technologies International Ltd. (QTIL). Here is the renamed company’s contact information: Qualcomm Technologies International, Ltd. Churchill House, Cambridge Business Park, Cowley Road Cambridge, CB4 0WZ, UK Emails will retain an @csr.com address until a QTIL address is created. CSR is known to the GPS/GNSS industry as the maker of the SiRFstar series of chips, which are used in many consumer devices. Qualcomm is a leading maker of chips used in smartphones. CSR issued a letter to its customers explaining the change, sent by Chris Dale, senior manager, CSR Global Procurement. Dale asked that customers make the appropriate change in their purchase order systems before Aug. 13. “As part of an ongoing program of review and improvement to trading arrangements and business processes, we will be updating our standard terms of purchase. You will be able to review the revised terms at qualcomm.com/procurement.” The revised terms of purchase will apply to purchase orders issued by QTIL on and after Aug. 13.” Finally, please note that for the near term there will be no changes to the Accounts Payable or purchasing process or contacts,” Dale wrote.
